

Chester Cast Iron

460mm High

Specialist UK Manufacturer of Cast Iron Radiators

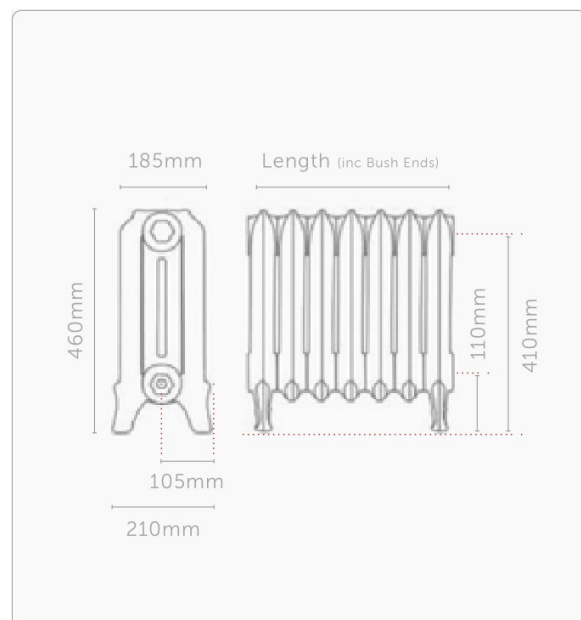

Our Chester cast iron radiator range is beautiful and stunning depicting graceful flowing Celtic ribbons intertwined with leaves and crowned with scrolls. Originally manufactured by the American Radiator Company, circa 1880, this magnificent cast iron radiator is often found in old churches due to its distinctive design.

The Chester cast iron radiator has been carefully recreated to accentuate every tiny detail. This eye-catching cast iron radiator with a Celtic ribbon intertwined with leaves delicately flowing down its length is superb. The Chester radiator will look wonderful if the highlight or antiqued paint effect is chosen. Our Chester radiator has a fantastic heat output per section and is also available in 660mm and 760mm high.
