

Edwardian Clearance Radiators

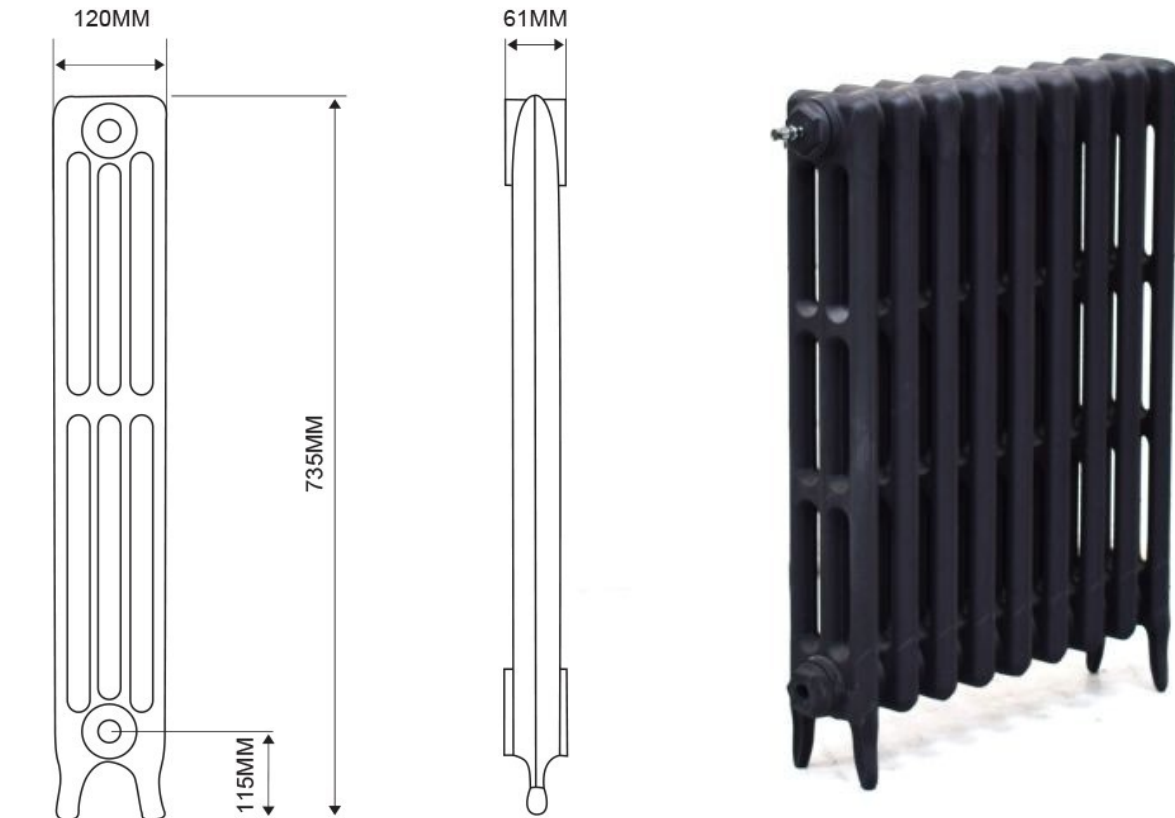

735mm High

We hold a limited stock of ready to go Edwardian style cast iron radiators in our own warehouse. This range is offered in black primer and comes in a 3 column and 4 column format. These radiators are pressure tested by us and ready for same day despatch for orders placed before 12 noon.

Delivery - we can offer next working day delivery to almost the whole of the mainland UK, but if you live in a more remote location, please contact us and we can advise on how quickly we can deliver. Due to the size and weight of the radiators, they are delivered on a pallet, with a kerbside service, so you will need more than one person to remove them safely from the pallet and into your property. See our guide to taking delivery of cast iron radiators. Next day and clearance stock is supplied with a full 1 year manufacturers warranty. You can buy online or call one of our radiator experts, who'll be very happy to help and advise you in your purchase of a cast iron radiator and any accessories you may require.

Showroom - You are welcome to visit our radiator showroom in Portsmouth and view these products.

Code	Sections	Width (mm)	Heat Output				Dry Weight (Kg)	Water Content (Litres)	Wet Weight (Kg)
			At Delta T 50		At Delta T 60				
			BTUs	Watts	BTUs	Watts			
SA-ED3-745-09	9	574	2817	828	3618	1062	44.5	13.5	58.0
